Be Respectful | Be Responsible | Be Safe

**Picture of the week**

White Ribbon Day
Today is known as White Ribbon Day.
White Ribbon is the world’s largest movement of men and boys working to end violence against women and girls and to promote gender equity and healthy relationships. White Ribbon Australia, as part of this global movement, aims to create an Australian society in which all women can live in safety, free from violence and abuse.

**Date** | **Event**
--- | ---
28th Nov | Movie Night 6:30pm
5th Dec | Swimming Carnival
12th Dec | Graduation Dinner

**Absences**
If you child is absent from school, it is a requirement that the school be notified either by phone or by sending a note to explain the absence.

**Spelling**
Congratulations to our great spellers.
Week 7 – Spelling Stars – Ryan, Rowan, Kimberley, Broklyn and Adam.
Super Spellers – Kahjalyha and Ky

**P & C NEWS**
An invitation is extended to all parents to attend a P & C meeting on Monday 1st December at 5:15pm. This meeting is an important one in which new uniforms for 2015 will be discussed with a decision being made. This meeting will also help to organise the school’s end of year celebrations and graduation ceremony.

This is an opportunity for all parents to participate in decision making processes within the school.

**MOVIE NIGHT**
Our P & C are organising a movie night to be held on Saturday 28th November commencing at 6:30pm at the park adjacent to the pool. Food and drinks will be available. The movie being shown is ‘Opportunity to Train your Dragon 2’. A gold coin donation for a great enjoyable night out.

**Spelling**
Week 7 – Spelling Stars – Ryan, Rowan, Kimberley, Broklyn and Adam.

**Graduation and End of Year Celebrations**
To celebrate the great work of all our students, our School will be hosting an awards night and graduation ceremony on Friday 12th December. Students will be working hard to present a number of creative and (hopefully) funny performances to bring some early Christmas cheer. It is an expectation that all students attend so that our small school can celebrate student achievement. All community members are invited for a good dinner and a great night.

**Swimming Carnival**
A reminder that the Swimming Carnival is on Friday week, 5th December at Clarke Creek State School. Parents are asked to please transport their children to Clarke Creek for this school activity. A menu is attached for your information.
Hi everyone,

I hope you managed to stay cool over the weekend. What a shocker! We are indeed fortunate, as a community, to have a public pool which I am sure has had some use over the past week.

Speaking of the pool, we will continue lessons this week. I find it is useful for girls to use a swimming cap during the lessons as it keeps their hair away from their eyes and mouth which can be a big distraction for them. I have been lending students my caps during the Thursday lessons but of course, this doesn’t help them on Tuesdays. Therefore, I have purchased some caps which I am happy to sell if the girls can bring $2 for a cap on Thursday.

If you are a Facebook user, why not check out the Kidsmatter page and have a look at the current topic: “How kids experience stress”. The page explains, in easy-to-read language, what stress and anxiety is and how educators and parents can help children who are experiencing stress and/or anxiety. If you don’t use Facebook, simply use the following link: https://www.kidsmatter.edu.au/health-and-community/enewsletter/how-kids-experience-stress

Here are some useful tips you may be able to use at home:
It is important for parents to teach kids to recognise and express their emotions, and to use healthy ways to cope with the stress they experience.

Parents can:
- regularly spend calm and relaxing time with their children
- listen to their children and encourage them to talk about their feelings and worries
- provide a safe and nurturing family environment
- encourage physical activity and healthy eating habits
- use positive encouragement and rewards instead of punitive measures
- avoid being critical and negative towards their children
- show active interest in their children’s activities and hobbies and participate when possible
- demonstrate active interest in their children’s school progress and support them with their learning and homework
- monitor their children’s access to media and ensure they are aware of safe online practices
- support their children if they are exposed to bullying
- manage their own stress and be a positive role model
- avoid over-scheduling children and allow them free time to play, read, listen to music or just ‘veg–out’
- help build children’s sense of self-worth by recognising their achievements and avoid placing unrealistic expectations on them
- seek professional help if signs of stress do not decrease.

My role is to support children and their families so if there is anything I can do to help, please don’t hesitate to contact me.

If you are a Facebook user, why not check out the Kidsmatter page and have a look at the current topic: “How kids experience stress”. The page explains, in easy-to-read language, what stress and anxiety is and how educators and parents can help children who are experiencing stress and/or anxiety. If you don’t use Facebook, simply use the following link: https://www.kidsmatter.edu.au/health-and-community/enewsletter/how-kids-experience-stress

Here are some useful tips you may be able to use at home:

It is important for parents to teach kids to recognise and express their emotions, and to use healthy ways to cope with the stress they experience.

Parents can:

• regularly spend calm and relaxing time with their children
• listen to their children and encourage them to talk about their feelings and worries
• provide a safe and nurturing family environment
• encourage physical activity and healthy eating habits
• use positive encouragement and rewards instead of punitive measures
• avoid being critical and negative towards their children
• show active interest in their children's activities and hobbies and participate when possible
• demonstrate active interest in their children’s school progress and support them with their learning and homework
• monitor their children's access to media and ensure they are aware of safe online practices
• support their children if they are exposed to bullying
• manage their own stress and be a positive role model
• avoid over-scheduling children and allow them free time to play, read, listen to music or just 'veg-out'
• help build children's sense of self-worth by recognising their achievements and avoid placing unrealistic expectations on them
• seek professional help if signs of stress do not decrease.

My role is to support children and their families so if there is anything I can do to help, please don’t hesitate to contact me.

Absences
If you child is absent from school, it is a requirement that the school be notified either by phone or by sending a note to explain the absence.

Spelling
Congratulations to our great spellers.
Week 7 – Spelling Stars – Ryan, Rowan, Kimberley, Broklyn and Adam.
Super Spellers – Kahjalyha and Ky

Our goal is 90%. Come on students keep on improving!!!

P & C NEWS
An invitation is extended to all parents to attend a P & C meeting on Monday 1st December at 5:15pm. This meeting is an important one in which new uniforms for 2015 will be discussed with a decision being made. This meeting will also help to organise the school’s end of year celebrations and graduation ceremony.

This is an opportunity for all parents to participate in decision making processes within the school.

MOVIE NIGHT
Our P & C are organising a movie night to be held on Saturday 28th November commencing at 6:30pm at the park adjacent to the pool. Food and drinks will be available. The movie being shown is ‘Opportunity to Train your Dragon 2’. A gold coin donation for a great enjoyable night out.

White Ribbon Day
Today is known as White Ribbon Day.
White Ribbon is the world’s largest movement of men and boys working to end violence against women and girls and to promote gender equity and healthy relationships. White Ribbon Australia, as part of this global movement, aims to create an Australian society in which all women can live in safety, free from violence and abuse.

Australia’s campaign to stop violence against women

### Graduation and End of Year Celebrations

To celebrate the great work of all our students, our School will be hosting an awards night and graduation ceremony on Friday 12\textsuperscript{th} December. Students will be working hard to present a number of creative and (hopefully) funny performances to bring some early Christmas cheer. It is an expectation that all students attend so that our small school can celebrate student achievement. All community members are invited for a good dinner and a great night.

### Swimming Carnival

A reminder that the Swimming Carnival is on Friday week, 5\textsuperscript{th} December at Clarke Creek State School. Parents are asked to please transport their children to Clarke Creek for this school activity. A menu is attached for your information.
Hi everyone,

I hope you managed to stay cool over the weekend. What a shocker! We are indeed fortunate, as a community, to have a public pool which I am sure has had some use over the past week.

Speaking of the pool, we will continue lessons this week. I find it is useful for girls to use a swimming cap during the lessons as it keeps their hair away from their eyes and mouth which can be a big distraction for them. I have been lending students my caps during the Thursday lessons but of course, this doesn’t help them on Tuesdays. Therefore, I have purchased some caps which I am happy to sell if the girls can bring $2 for a cap on Thursday.

If you are a Facebook user, why not check out the Kidsmatter page and have a look at the current topic: “How kids experience stress”. The page explains, in easy-to-read language, what stress and anxiety is and how educators and parents can help children who are experiencing stress and/or anxiety. Speaking of the pool, we will continue lessons this week. I find it is useful for girls to use a swimming cap during the lessons as it keeps their hair away from their eyes and mouth which can be a big distraction for them. I have been lending students my caps during the Thursday lessons but of course, this doesn’t help them on Tuesdays. Therefore, I have purchased some caps which I am happy to sell if the girls can bring $2 for a cap on Thursday.

If you are a Facebook user, why not check out the Kidsmatter page and have a look at the current topic: “How kids experience stress”. The page explains, in easy-to-read language, what stress and anxiety is and how educators and parents can help children who are experiencing stress and/or anxiety. If you don’t use Facebook, simply use the following link: https://www.kidsmatter.edu.au/health-and-community/enewsletter/how-kids-experience-stress

Here are some useful tips you may be able to use at home:
It is important for parents to teach kids to recognise and express their emotions, and to use healthy ways to cope with the stress they experience.

Parents can:

- regularly spend calm and relaxing time with their children
- listen to their children and encourage them to talk about their feelings and worries
- provide a safe and nurturing family environment
- encourage physical activity and healthy eating habits
- use positive encouragement and rewards instead of punitive measures
- avoid being critical and negative towards their children
- show active interest in their children’s activities and hobbies and participate when possible
- demonstrate active interest in their children’s school progress and support them with their learning and homework
- monitor their children’s access to media and ensure they are aware of safe online practices
- support their children if they are exposed to bullying
- manage their own stress and be a positive role model
- avoid over-scheduling children and allow them free time to play, read, listen to music or just ‘veg–out’
- help build children’s sense of self-worth by recognising their achievements and avoid placing unrealistic expectations on them
- seek professional help if signs of stress do not decrease.

My role is to support children and their families so if there is anything I can do to help, please don’t hesitate to contact me.

5th Dec | Swimming Carnival
12th Dec | Graduation Dinner

**Absences**
If your child is absent from school, it is a requirement that the school be notified either by phone or by sending a note to explain the absence.

**Spelling**
Congratulations to our great spellers.
Week 7 – Spelling Stars – Ryan, Rowan, Kimberley, Broklyn and Adam.
Super Spellers – Kahjalyha and Ky

**P & C NEWS**
An invitation is extended to all parents to attend a P & C meeting on Monday 1st December at 5:15pm. This meeting is an important one in which new uniforms for 2015 will be discussed with a decision being made. This meeting will also help to organise the school’s end of year celebrations and graduation ceremony.

This is an opportunity for all parents to participate in decision making processes within the school.

**MOVIE NIGHT**
Our P & C are organising a movie night to be held on Saturday 28th November commencing at 6:30pm at the park adjacent to the pool. Food and drinks will be available. The movie being shown is ‘Opportunity to Train your Dragon 2’. A gold coin donation for a great enjoyable night out.

**White Ribbon Day**
Today is known as White Ribbon Day.
White Ribbon is the world’s largest movement of men and boys working to end violence against women and girls and to promote gender equity and healthy relationships. White Ribbon Australia, as part of this global movement, aims to create an Australian society in which all women can live in safety, free from violence and abuse.

**Swimming Carnival**
A reminder that the Swimming Carnival is on Friday week, 5th December at Clarke Creek State School. Parents are asked to please transport their children to Clarke Creek for this school activity. A menu is attached for your information.
Hi everyone,

I hope you managed to stay cool over the weekend. What a shocker! We are indeed fortunate, as a community, to have a public pool which I am sure has had some use over the past week.

Speaking of the pool, we will continue lessons this week. I find it is useful for girls to use a swimming cap during the lessons as it keeps their hair away from their eyes and mouth which can be a big distraction for them. I have been lending students my caps during the Thursday lessons but of course, this doesn’t help them on Tuesdays.
