Australian Rules Football
Students were not able to have a lesson today as they were busy at Carmila learning their dancing routines. AFL will continue again next Tuesday.

Dance Fever
Our students have had several sessions of dance this week and are already developing their skills and enjoying themselves. Dance lessons continue each day for the rest of this week and parents are invited to attend a performance at 1:30pm on Friday at Carmila State School.

Swimming
Swimming lessons will continue again next week. It is great to see improvement in the students each week.

Tuckshop
As we will be at Carmila State School tomorrow, tuckshop will be available for our students.
The menu is:
Pies     $2.50    Chocolate Milk $1.70    Yoghurt $1.20
Sausage Rolls $1.50    Apple Juice $1.50
Lasagne  $2.50    Muffin $1.50
Pizza    $1.50    Iceblock $0.80

School-wide Positive Behaviour Support (SWPBS)
This week we are teaching the expected behaviour Be Safe in the Classroom. Being safe means looking after yourself and those around you.

Reading Comprehension Strategy: Visualising
The importance of visualising to readers who are building their reading comprehension cannot be underestimated. As students move from picture books to short stories and novels, the author needs to be more descriptive when speaking about the characters. All readers need to be able to visualise (see the character or place in their mind). On the back is one of their work pieces called a Picture Quilt, based on the story The Children Who Loved Books by Peter Carnavas. Our students saw Peter at the Whitsunday Voices Literature Festival earlier this year.
