ANZAC Day Service
Tomorrow, Wednesday 24th April, St Lawrence SS will host a community ANZAC Day service beginning at 11:00am.
This service will include local servicemen and special guest Paul Robertson, Secretary of the Mackay RSL Sub-Branch. Mr Robertson had a military career spanning 15 years in the New Zealand Defence Force (Army) and it will be an honour to have him present.

Following the service, a sausage sizzle will be offered to those in attendance for a gold coin donation. Please spread the word to locals and visitors alike, as St Lawrence comes together as one to commemorate those who made the ultimate sacrifice in the name of their country.

New School Website
Our brand-new St Lawrence State School website will go live tomorrow.

Our new website has:
- School Information
- News
- Newsletters
- Events Calendar
- Photo Gallery

I’m very pleased to have worked with the staff to develop this new site and am thrilled to say that it is easy to maintain and update.

So, even if you are away, you’ll be able to keep up-to-date with what’s been happening.

There’s much more to come.
School-wide Positive Behaviour Support (SWPBS)

Last week, St Lawrence SS began using Sunny Cards to acknowledge expected behaviour. Our class has adopted Sunny the Crab as a mascot and Matthew Hanton was generous enough to draw a wonderful picture that now features on every Sunny Card. Great work, Matt!

In Week Two, we will be teaching Be Safe in the All Areas.

<table>
<thead>
<tr>
<th>ALL AREAS</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Use equipment appropriately</td>
</tr>
<tr>
<td>• Keep hands, feet and objects to yourself</td>
</tr>
<tr>
<td>• Walk on cement</td>
</tr>
</tbody>
</table>

Being safe in all areas means putting the wellbeing of yourself and others at the front of your mind. At St Lawrence SS, we like to take care of each other.

Prize-winners - We held the prize draw over to this coming Friday.

Football Tipping
This week was a representative round. We look forward to a return to regular Footy Tipping next week.

Mr Rob Stewart
Principal
St Lawrence State School

Term 2: Week 2

Hi everyone

I thought it might be useful to insert some information on Chaplaincy for those who weren’t able to attend the P & C meeting that I addressed last month.

How can the chaplain help students?

• The school chaplain promotes student wellbeing through the provision of pastoral care. That is, being a friend and mentor for all students which involves listening to them and answering questions, as they arise, about beliefs, values, morals, and ethics which allows the student to become a strong, confident and resilient member of the school and wider community.

• The school chaplain works as part of the school support team to make sure that all students are given the best opportunities to develop academically, mentally and socially.

• There are times when a student is in danger of disengaging from school and/or friends because of bereavement, anger, stress, anxiety, a medical condition or some other form of loss. In these circumstances, the school chaplain is able to provide a link between the home and school so that the best possible outcomes are achieved.

If you have any questions about how I can serve you and your family, please drop me a line at: karim@chappy.org.au

Last Saturday at the Marlborough Show, Jessica Cash won a prize for the Most Successful Under 13 Exhibitor. Jess won prizes for drawing and handwriting. Congratulations Jess!

There won’t be any news from me next week as I’ll be in Brisbane.

Until next time..... stay safe and be kind to others. ☺
