**Picture of the week**

Congratulations Matthew, Lila and Adam on their terrific spelling results. Keep up the good effort!

**Reading**

Students in P-2 have been learning about nouns, adjectives and verbs. They have been identifying the noun or verb along with the adjective that has been used to describe them. On Monday, we began We’re Going on a Bear Hunt.

Students in 4-5 have been learning about how noun groups and verb groups add to the story of The Twits by Roald Dahl.

On Wednesday, we’ll be looking at developing our own personal timelines. This will help us with our summarising skills. Students will summarise their lives, choosing the most important parts to write down.

**Writing**

Students have been writing their journal entries each Monday. They have been learning how to “Bling up their bike”, adding adjectives and powerful words to make their writing more interesting.

Students have been working on the use of nouns (names of a person, place or a thing). They are learning that you can have a common noun (car) and a proper noun (Holden Commodore). Some of identified that proper nouns always have a capital letter at the beginning.

**Numeracy**

Prep students have been working on their identification of numbers and sequencing to 10.

Year 1-2 students are identifying numbers in an extended sequence.

Year 4-6 students are developing their automaticity by doing their times tables each day and working on strategies to assist them when they are working on harder problems.

This will allow them to free their mind from the easier parts and focus on what needs to be worked out.

**News**

Thanks for the great turn-out last Tuesday evening for the meet and greet. It was wonderful to have an informal chat with everyone.

This coming Thursday at 4:30pm (date change), we will be hosting an information session that will involve introducing parents to the programs we run at school, along with how we can work together to support your child’s education.
Schoolwide Positive Behaviour Support

Students have started to receive the new Sunny Cards for demonstrating being respectful, responsible and safe. Students hand in these red, blue and green cards to put a sticker on the brand new charts (in the picture behind Matthew). They look great and students will receive certificates based on how many stars they receive.

This week, students are learning how to be safe in all areas. Staff will be out-and-about looking for safety!

Hi everyone,

Let me just say how much I enjoyed the school community “Meet and Greet” last Tuesday night. The food and company was great and it was good to see the kids relaxing with friends and enjoying school on another level. Thanks Rob for organising and cooking.

I have enrolled in a series of four workshops in Youth Mental Health First Aid which are being held each Friday morning in February. The presenters are from Mental Health agencies in Mackay and are doing a wonderful job for the participants in helping us understand the signs and symptoms of various mental health issues ranging from Anxiety through to Self-Harm and Depression. If anyone read the front page story of last Saturday’s Daily Mercury, you would understand the need to equip our young people with ways to deal with uncertainty, fears, anxiety and stress in safe and positive ways.

I have been given a list of agencies which can be accessed free and I list them here for your information:

- **CYMHS** (Child and Youth Mental Health Services) 0-18 year olds. Crisis support. Phone: 49 683893 (24 hr line)
- **ATAPS – for Kids** (for 0-12) mild-moderate or at risk of developing a mental disorder. Up to 12 free therapy sessions per calendar year. GP referral required. Ph: 48 982700
- **Headspace** (12-25 year olds) therapy, links with community groups. GP or self-referral Ph: 48 982200
  Also provides online sessions with a psychologist which can be accessed via the e-headspace website.

If you would like any other information, please don’t hesitate to contact me by phone or email.

Picture of the week
Congratualtions Matthew, Lila and Adam on their terrific spelling results. Keep up the good effort!
**Schoolwide Positive Behaviour Support**

Students have started to receive the new Sunny Cards for demonstrating being respectful, responsible and safe. Students hand in these red, blue and green cards to put a sticker on the brand new charts (in the picture behind Matthew). They look great and students will receive certificates based on how many stars they receive.

This week, students are learning how to be safe in all areas. Staff will be out-and-about looking for safety!

Hi everyone,

Let me just say how much I enjoyed the school community “Meet and Greet” last Tuesday night. The food and company was great and it was good to see the kids relaxing with friends and enjoying school on another level. Thanks Rob for organising and cooking.

I have enrolled in a series of four workshops in Youth Mental Health First Aid which are being held each Friday morning in February. The presenters are from Mental Health agencies in Mackay and are doing a wonderful job for the participants in helping us understand the signs and symptoms of various mental health issues ranging from Anxiety through to Self-Harm and Depression. If anyone read the front page story of last Saturday’s Daily Mercury, you would understand the need to equip our young people with ways to deal with uncertainty, fears, anxiety and stress in safe and positive ways.

I have been given a list of **agencies which can be accessed free** and I list them here for your information:

- **CYMHS** (Child and Youth Mental Health Services) 0-18 year olds. Crisis support. Phone: 49 683893 (24 hr line)
- **ATAPS – for Kids** (for 0-12) mild-moderate or at risk of developing a mental disorder. Up to 12 free therapy sessions per calendar year. GP referral required. Ph: 48 982700
- **Headspace** (12-25 year olds) therapy, links with community groups. GP or self-referral Ph: 48 982200
  
  Also provides online sessions with a psychologist which can be accessed via the e-headspace website.

If you would like any other information, please don’t hesitate to contact me by phone or email.

Be Respectful  Be Responsible  Be Safe

Picture of the week

Congratulate Matthew, Lila and Adam on their terrific spelling results. Keep up the good effort!

Reading
Students in P-2 have been learning about nouns, adjectives and verbs. They have been identifying the noun or verb along with the adjective that has been used to describe them. On Monday, we began We’re Going on a Bear Hunt.

Students in 4-5 have been learning about how noun groups and verb groups add to the story of The Twits by Roald Dahl.

On Wednesday, we’ll be looking at developing our own personal timelines. This will help us with our summarising skills. Students will summarise their lives, choosing the most important parts to write down.

Writing
Students have been writing their journal entries each Monday. They have been learning how to “Bling up their bike”, adding adjectives and powerful words to make their writing more interesting.

Students have been working on the use of nouns (names of a person, place or a thing). They are learning that you can have a common noun (car) and a proper noun (Holden Commodore). Some of identified that proper nouns always have a capital letter at the beginning.

</tr>
</tbody>
</table>

Numeracy
Prep students have been working on their identification of numbers and sequencing to 10.

Year 1-2 students are identifying numbers in an extended sequence.

Year 4-6 students are developing their automaticity by doing their times tables each day and working on strategies to assist them when they are working on harder problems.

This will allow them to free their mind from the easier parts and focus on what needs to be worked out.

News
Thanks for the great turn-out last Tuesday evening for the meet and greet. It was wonderful to have an informal chat with everyone.

This coming Thursday at 4:30pm (date change), we will be hosting an information session that will involve introducing parents to the programs we run at school, along with how we can work together to support your child’s education.
