Picture of the week
Congratulations to Adam for achieving 100% in spelling and to Matthew, Eve, Brock, Jake, Ryan, Jakk, Rowan and Ky for improvement in their spelling. A bookwork award was given to Rowan Hanton. Keep up the good work!!

Spelling
Congratulations to Adam for achieving 100% and Matthew, Ryan, Jakk and Eve on their improvement.

Writing
Lila Watson used the word of the week to provide an example of rage.

Numeracy
Students across the year levels have been working hard to improve their ability to see the relationships that exist in a sum or number sentence.

For example, Ryan worked out that:

- $13 + 5 = 18$ and $5 + 13 = 18$

Using subtraction, he also saw that:

- $18 - 5 = 13$ then $18 - 13 = 5$
Schoolwide Positive Behaviour Support
This week’s targeted area is ‘Be Responsible in the Classroom’ with a focus on the bookwork.

Hi everyone,
Well this unsettled weather has got us all guessing hasn’t it? To swim or not to swim? What will the weather be like tomorrow?

Last Thursday I sent a note home with the students about commencing lessons at the pool after school. Hopefully you got the note ☺ but if not, here are the details:

Swimming is a great way to get fit, a great way to build confidence and a great way to feel good about yourself so I have decided to co-ordinate after-school lessons for those who would like to increase fitness and build skills. Children must be accompanied by an adult for the full lesson and, depending on the level of the child’s skills, the accompanying adult must be prepared to be in the water with the child.

Lessons will begin on Wednesday 12th March at 3.30 p.m. and session times will depend on the amount of interest there is in the program. I realise that there may be a huge variance in the skills of those who come but we can work out a plan to suit everyone when we meet on Wednesday. The only cost involved will be the cost of entering the pool which is $2 per adult and $1 per child. If your family has a season ticket, please bring your receipt as evidence of this.

Children will need to bring swimmers and towel and, if they have goggles and a swim cap, these will help to maximise their efforts in the pool. Unless it is raining heavily, we will still meet at the pool as outlined.

If you would like more information on the lessons or on how I can assist you or your family, please don’t hesitate to contact me by phone or email.
