Please ensure that students are in full uniform. It is essential for students to bring their own morning tea and lunch together with a large water bottle. It is anticipated we will return to the school by 4:30pm. Attached is a permission form for completion and return to the school tomorrow, please.
Hi everyone,
Welcome back to school. I hope everyone had a great holiday break. What about this icy weather?

Not much to report except to say that everyone has an opportunity tonight to attend a seminar at Carmila SS on the downfall of technology. I have inserted a notice from my Chaplaincy Committee which is supporting the guest speakers.

This week all schools in the Sarina cluster will be having a visit from Brad Huddleston (IT guru, international speaker and author) and Nigel Dalton (from The Mackay District Police). They will be talking to the students about the good and not so good aspects of the internet and holding meetings for Adults on Tuesday night and Thursday night. Following the presentation there will be opportunity to ask questions.

Parents, Grandees, Carers and friends are encouraged to take the opportunity to attend and be informed. It will be well worth it. Fill the car with a group of friends and head to Carmila on Tuesday night. This meeting will be held at the school and starts at 6.30 p.m. The Thursday night meeting is at Sarina High School in the Library starting at 7pm.

If you’d like to go to Camilla and need a ride let me know.

Until next week,

Chappy Kari
