Super Spellers – Jonas, Matt, Rowan and Jake
Hi everyone,

Not a whole lot to report this week except to say I’m off to a Local Chaplaincy Committee (LCC) meeting tonight in Sarina. The committee exists to oversee the placement of chaplains in each of the seven schools in the district: Sarina Primary, Swayneville, Alligator Creek, Koumala, Carmila, St Lawrence and Sarina State High School. Even though the Federal Government contributes towards the wages of Chaplains, there would not be enough funding to cover all of our schools in the current format. Our committee is a group of very committed community members who work tirelessly to ensure a presence in our schools and they do an enormous job fundraising to make sure our kids have access to a school chappy. One of the ways they fundraise is by the Ten for Chaplaincy program which encourages people to donate $10 a month towards Chaplaincy. If you would like to be a partner in this programme, just drop me a line by email or text and I will send a brochure home with your child.

At the recent Chaplaincy Conference I attended a session on assisting children resolve conflict in appropriate ways. I was very impressed by the simplicity of the programme and the possible effectiveness in our small setting. My LCC has kindly agreed to pay for me to attend a further workshop in Brisbane and we are now in negotiation on the cost of airfares.

Until next week,

Chappy Kari
