**Schoolwide Positive Behaviour Support**

In order to make the most of learning time in the afternoon, students are being taught a fast and effective procedure for coming in which includes five (5) steps:

1. Go to the toilet.
2. Wash our hands.
3. Hang up our hat.
4. Have a drink.
5. Line up quietly.

For this reason we have two focuses for this week.

**Term 3: Week 7**

**August 26, 2014**

Hi everyone,

Well, half way through Term 3 and the kids are participating in soccer practice with enthusiasm. I’m looking forward to watching them at Marlborough State School on the last day of term.

Last Tuesday evening I attended the monthly Local Chaplaincy Meeting in Sarina. At these meetings each Chaplain gives a report on what they have been doing during the month. I think they’re all a little jealous when I tell them that the whole school is in one area during the lunch break and I get to play soccer or treasure ball with them. My colleagues have so many kids in their schools that they would have difficulty knowing their names.

I know there are times when our kids have disagreements but, on the whole, when they leave this school, they will look back with fondness on the small close-knit group they have. And, learning to cope with disagreements is the way they build confidence and skills for later life. We have a new poster on the Library door which reads: “Be Kind to one Another; Even if you disagree on stuff” Good advice I reckon.

There will always be differences of opinion between people but it’s the way we deal with them that builds our character.

Until next week,

**Chappy Kari**
