Hi everyone,

It’s nice to see the warmer weather back with us; won’t be long before we are complaining about the heat though I guess.

After months of deliberation and decision-making, it has been confirmed that the National Chaplaincy Program will continue to be funded through the state and territory governments. Great news and I’d like to take this opportunity to thank the school community, students, parents and staff for the support you have given me and the positive attitude our school has towards Chaplaincy. I feel privileged to be able to work alongside such a great bunch of kids.

Remember, if there is ever anything I can do for your child or your family, please don’t hesitate to call me or email me using the contact details below.

Until next week,

Chappy Kari

Hi everyone,

It’s nice to see the warmer weather back with us; won’t be long before we are complaining about the heat though I guess.

After months of deliberation and decision-making, it has been confirmed that the National Chaplaincy Program will continue to be funded through the state and territory governments. Great news and I’d like to take this opportunity to thank the school community, students, parents and staff for the support you have given me and the positive attitude our school has towards Chaplaincy. I feel privileged to be able to work alongside such a great bunch of kids.

Remember, if there is ever anything I can do for your child or your family, please don’t hesitate to call me or email me using the contact details below.

Until next week,

Chappy Kari
