Hi everyone,

I hope all our dads had a great Father’s Day on Sunday.

Only a week and a half now until the holidays and it looks like the weather is shaping up to be glorious for the two-week break. I’m heading to Brisbane for a workshop on assisting children with Conflict Resolution and hopefully to pick up some great ideas to share with the kids.

If you have found the Technology information I have been sending home, useful, you may want to borrow a book from our school library called “The Dark Side of Technology” written by Brad Huddleston. Brad was the speaker at the meeting held at Carmila SS on how parents can guide their children carefully when using internet-related technology. It’s available from our library for anyone to read. Just let us know via your child and we can arrange to send it home.

Until next week,

Chappy Kari

**Be Respectful** | **Be Responsible** | **Be Safe**
--- | --- | ---

### Picture of the Week

Congratulations to the following students for their achievements in our behaviour management plan:

- Be Respectful Level 1 - Matthew
- Be Respectful Level 1 - Rowan
- Be Responsible Level 2 - Kim, Ky, Rowan
- Be Responsible Level 3 - Ryan and Adam

### Spelling

This week congratulations go to Jonas and Adam for Super Spellers and Matthew, Ky and Jake for being our Spelling Stars. Class target = 60% Class Average = 69%. Class improvement was 2%.

![Graph showing spelling progress over weeks]

### Prep – Yr 2 Science – Will it float or sink?

Our students have been busy building boats out of alfoil and plasticine to ascertain whether they will float or sink. We have included some photos of the boats that the students have built. It was very interesting watching whether the boats floated or sank.

School Wide Behaviour
Our focus this week is ‘Be Safe in the Playground/Oval’. As we are in the final weeks of preparation for Soccer, we are learning to follow the rules and listen to the referee, so that our team mates and competitors do not get hurt.

Hi everyone,

I hope all our dads had a great Father’s Day on Sunday.

Only a week and a half now until the holidays and it looks like the weather is shaping up to be glorious for the two-week break. I’m heading to Brisbane for a workshop on assisting children with Conflict Resolution and hopefully to pick up some great ideas to share with the kids.

If you have found the Technology information I have been sending home, useful, you may want to borrow a book from our school library called “The Dark Side of Technology” written by Brad Huddleston. Brad was the speaker at the meeting held at Carmila SS on how parents can guide their children carefully when using internet-related technology. It’s available from our library for anyone to read. Just let us know via your child and we can arrange to send it home.

Until next week,

Chappy Kari

Prep – Yr 2 Science – Will it float or sink?
Our students have been busy building boats out of alfoil and plasticine to ascertain whether they will float or sink. We have included some photos of the boats that the students have built. It was very interesting watching whether the boats floated or sank.

It is amazing the thought and work involved in building a boat from alfoil. Congratulations to our Prep – Yr 2 students on the they put into their creations.

Date | Event
--- | ---
13th Sept | Sarina Festival
19th Sept | Soccer Competition - Marlborough
2nd-7th Nov | School Camp Yrs 4 - 6
10th – 14th Nov | Dance Fever
5th Dec. | Swimming Carnival

Be Respectful | Be Responsible | Be Safe
