Be Respectful

Swimming
Students began their swimming lessons last Thursday, 9th October. While some students may have begun a little hesitant, by the end of the lesson they were more comfortable in the water. We know this will continue as the weeks move on. Just a reminder that swimming lessons will take place every Tuesday and Thursday afternoon during this term except for Dance Fever Week. If you wish to pick your child/ren up from the pool, we ask that you are there before 2:50pm.

School Camp
A detailed letter will be sent home today for the Yrs 4-6 camp to Cairns departing St Lawrence on Sunday 2 November at 11:20pm and arriving back at St Lawrence on Friday 7th November at 10pm. Some of the activities that students will be taking part in will be a cruise to Green Island, snorkelling on the Great Barrier Reef, taking a trip on the skyrail across the rainforest, swimming in the lagoon and enjoying the great facilities at the Cairns Coconut Holiday Resort.

Head Lice
Just a timely reminder that head lice love clean hair. Please check your child/ren’s hair regularly and if necessary, treat if there is any sign of head lice.

Be Responsible

Date Event
20th Oct Pupil Free Day
2nd-7th Nov School Camp Yrs 4 - 6
10th – 14th Nov Dance Fever
5th Dec. Swimming Carnival

Strive
Our students have responded incredibly well to Strive once again. Our Speech Language Pathologist conducted the post test today which showed that students had made great improvement in their knowledge of the word meaning. More pleasing was the way students of all ages improved in their construction of sentences in this post test. This is heartening to see and is reflective of what we are seeing in the classroom.

P & C News
The next P & C meeting will be held on Wednesday 22nd October starting at 5:15pm. All families are welcome and this will be a great opportunity for consultation and collaboration for the forthcoming camp and graduation on Friday 12th December.

TUCKSHOP WILL BE ON THIS WEDNESDAY, 15TH OCTOBER.

School Wide Behaviour
Our focus this week is ‘Be Responsible in the Classroom’ by making a genuine effort, giving it our best go in classroom activities.

Hi everyone,

What a terrific start to Term 4; welcome to Kajahlyha and J-Zeik. I hope your time with us is enriching and memorable.

Last week I mentioned a small project I have going at the moment. An organisation called Samaritan’s Purse invites people to fill a box (shoebox size) for either a boy or a girl, with items to send to underprivileged children overseas. They do this leading up to Christmas which is nice because it gives our children an opportunity to do something for others especially when we talk about how very little some of the recipients actually have of their own.

I would like to fill a box for a boy aged 5-9 years and hope that the kids will want to be involved too. Items need to be fairly small as there is not a lot of room and we need to add some packing for protection. So, if you would like your child to help me fill a box, these are some of the things they suggest we could include: a small soft toy, stickers, notepads, pencils, rubbers, sharpeners, small musical instruments, yo-yo, slinky, puppet, wind-up torch, toothbrush, toothpaste, hairbrush, t-shirt, etc. We are asked not to add anything that will break easily, any food items or anything that is used or damaged.

If your child is able to bring along an item for packing in the box, it will need to be at school tomorrow or Thursday so that we can package and seal the gift box for returning to the collection point for mailing. I have spoken to the students and explained that the items need to be at school this week. If you would like further information on the project, the website is: www.operationchristmaschild.org.au

Until next week,

I would like to fill a box for a boy aged 5-9 years and hope that the kids will want to be involved too.

Items need to be fairly small as there is not a lot of room and we need to add some packing for protection. So, if you would like your child to help me fill a box, these are some of the things they suggest we could include: a small soft toy, stickers, notepads, pencils, rubbers, sharpeners, small musical instruments, yo-yo, slinky, puppet, wind-up torch, toothbrush, toothpaste, hairbrush, t-shirt, etc. We are asked not to add anything that will break easily, any food items or anything that is used or damaged.

If your child is able to bring along an item for packing in the box, it will need to be at school tomorrow or Thursday so that we can package and seal the gift box for returning to the collection point for mailing. I have spoken to the students and explained that the items need to be at school this week. If you would like further information on the project, the website is:  www.operationchristmaschild.org.au

Until next week,

## Be Respectful

**Swimming**

Students began their swimming lessons last Thursday, 9th October. While some students may have begun a little hesitant, by the end of the lesson they were more comfortable in the water. We know this will continue as the weeks move on. Just a reminder that swimming lessons will take place every Tuesday and Thursday afternoon during this term except for Dance Fever Week. If you wish to pick your child/ren up from the pool, we ask that you are there before 2:50pm.

**School Camp**

A detailed letter will be sent home today for the Yrs 4-6 camp to Cairns departing St Lawrence on Sunday 2 November at 11:20pm and arriving back at St Lawrence on Friday 7th November at 10pm. Some of the activities that students will be taking part in will be a cruise to Green Island, snorkelling on the Great Barrier Reef, taking a trip on the skyrail across the rainforest, swimming in the lagoon and enjoying the great facilities at the Cairns Coconut Holiday Resort.

**Head Lice**

Just a timely reminder that head lice love clean hair.

Please check your child/ren’s hair regularly and if necessary, treat if there is any sign of head lice.

## Be Responsible

**Strive**

Our students have responded incredibly well to Strive once again. Our Speech Language Pathologist conducted the post test today which showed that students had made great improvement in their knowledge of the word meaning. More pleasing was the way students of all ages improved in their construction of sentences in this post test. This is heartening to see and is reflective of what we are seeing in the classroom.

**P & C News**

The next P & C meeting will be held on Wednesday 22nd October starting at 5:15pm. All families are welcome and this will be a great opportunity for consultation and collaboration for the forthcoming camp and graduation on Friday 12th December.

**TUCKSHOP WILL BE ON THIS WEDNESDAY, 15TH OCTOBER.**

- Keep work space tidy
Hi everyone,

What a terrific start to Term 4; welcome to Kajahlyha and J-Zeik. I hope your time with us is enriching and memorable.

Last week I mentioned a small project I have going at the moment. An organisation called Samaritan’s Purse invites people to fill a box (shoebox size) for either a boy or a girl, with items to send to underprivileged children overseas. They do this leading up to Christmas which is nice because it gives our children an opportunity to do something for others especially when we talk about how very little some of the recipients actually have of their own.

I would like to fill a box for a boy aged 5-9 years and hope that the kids will want to be involved too. Items need to be fairly small as there is not a lot of room and we need to add some packing for protection. So, if you would like your child to help me fill a box, these are some of the things they suggest we could include: a small soft toy, stickers, notepads, pencils, rubbers, sharpeners, small musical instruments, yo-yo, slinky, puppet, wind-up torch, toothbrush, toothpaste, hairbrush, t-shirt, etc. We are asked not to add anything that will break easily, any food items or anything that is used or damaged.

If you wish to pick your child/ren up from the pool, we ask that you are there before 2:50pm.

School Camp
A detailed letter will be sent home today for the Yrs 4 - 6 camp to Cairns departing St Lawrence on Sunday 2 November at 11:20pm and arriving back at St Lawrence on Friday 7th November at 10pm. Some of the activities that students will be taking part in will be a cruise to Green Island, snorkelling on the Great Barrier Reef, taking a trip on the skyrail across the rainforest, swimming in the lagoon and enjoying the great facilities at the Cairns Coconut Holiday Resort.

Be Responsible

Date | Event
--- | ---
20th Oct | Pupil Free Day
2nd-7th Nov | School Camp Yrs 4 - 6
10th – 14th Nov | Dance Fever
5th Dec. | Swimming Carnival

Strive
Our students have responded incredibly well to Strive once again. Our Speech Language Pathologist conducted the post test today which showed that students had made great improvement in their knowledge of the word meaning. More pleasing was the way students of all ages improved in their construction of sentences in this post test. This is heartening to see and is reflective of what we are seeing in the classroom.

Head Lice
Just a timely reminder that head lice love clean hair. Please check your child/ren’s hair regularly and if necessary, treat if there is any sign of head lice.

P & C News
The next P & C meeting will be held on Wednesday 22nd October starting at 5:15pm. All families are welcome and this will be a great opportunity for consultation and collaboration for the forthcoming camp and graduation on Friday 12th December.

TUCKSHOP WILL BE ON THIS WEDNESDAY, 15TH OCTOBER.

Be Safe

School Wide Behaviour
Our focus this week is ‘Be Responsible in the Classroom’ by making a genuine effort, giving it our best go in classroom activities.

IN THE CLASSROOM

BE RESPONSIBLE

- Be prepared
- Complete set tasks
- Take an active role in classroom activities
- Keep work space tidy
Hi everyone,

What a terrific start to Term 4; welcome to Kajahlyha and J-Zeik. I hope your time with us is enriching and memorable.

Last week I mentioned a small project I have going at the moment. An organisation called Samaritan’s Purse invites people to fill a box (shoebox size) for either a boy or a girl, with items to send to underprivileged children overseas. They do this leading up to Christmas which is nice because it gives our children an opportunity to do something for others especially when we talk about how very little some of the recipients actually have of their own.

I would like to fill a box for a boy aged 5-9 years and hope that the kids will want to be involved too. Items need to be fairly small as there is not a lot of room and we need to add some packing for protection. So, if you would like your child to help me fill a box, these are some of the things they suggest we could include: a small soft toy, stickers, notepads, pencils, rubbers, sharpeners, small musical instruments, yo-yo, slinky, puppet, wind-up torch, toothbrush, toothpaste, hairbrush, t-shirt, etc. We are asked not to add anything that will break easily, any food items or anything that is used or damaged.

If your child is able to bring along an item for packing in the box, it will need to be at school tomorrow or Thursday so that we can package and seal the gift box for returning to the collection point for mailing. I have spoken to the students and explained that the items need to be at school this week. If you would like further information on the project, the website is: www.operationchristmaschild.org.au

Until next week,

BE RESPONSIBLE

Swimming
Students began their swimming lessons last Thursday, 9th October. While some students may have begun a little hesitant, by the end of the lesson they were more comfortable in the water. We know this will continue as the weeks move on. Just a reminder that swimming lessons will take place every Tuesday and Thursday afternoon during this term except for Dance Fever Week. If you wish to pick your child/ren up from the pool, we ask that you are there before 2:50pm.

School Camp
