

# Great Results Guarantee

**Under this agreement for 2014  
St Lawrence State School will receive**

**\$5000\***

**This funding will be used to**

- Ensure that all students in Year 3/5/7 achieve at or above the National Minimum Standards or are working towards the attainment of their goals as specified in their Individual Learning Guarantee in 2014.
- Ensure that all students in P-7 achieve at or above a C standard in English and Mathematics during 2014 or are working towards the attainment of their goals as specified in their Individual Learning Guarantee.

**Our strategy will be to**

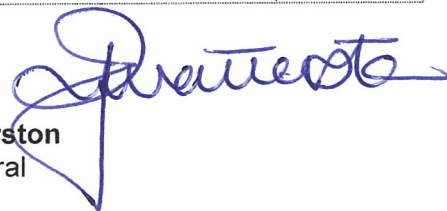

- Implement effective and sustainable systems for tracking and reviewing student data in Literacy and Numeracy.
- Utilise student literacy and numeracy data to develop an Individual Learning Guarantee for all students.
- Extend literacy and numeracy intervention support to target student goals as specified in their Individual Learning Guarantee.
- Upskill teachers and para-professionals in explicit teaching strategies to enhance the learning outcomes for all students in Prep to Year 7 in 2014, 2015 and beyond. (Anita Archer: Explicit Teaching. Guilford, 2011.)

**Our school will improve student outcomes by**

• Working in partnership with parents to develop an Individual Learning Guarantee for all students at risk	\$0
• Employing para-professional to extend literacy and numeracy intervention support to target student goals as specified in their Individual Learning Guarantee	\$4200
• Skilling of staff in Explicit Teaching strategies to improve capabilities of delivering quality curriculum and supporting students.	\$800

**Robert Stewart**  
Principal  
St Lawrence State School

**Dr Jim Watterston**  
Director-General
